

## Snow Removal Services

**CBM Corp's Snow Removal Division** provides fast and reliable service 24 hours-a-day, 7 days a week. We use early warning storm tracking technology to update storm patterns instantly. Rest assured knowing that your property will be safe and fully accessible throughout the coming snow season.

CBM provides complete snow plowing, hauling, shoveling and snow blowing service. Our carefully administered sand and calcium chloride applications along with our "curb to curb" and "sidewalks clearing" service insures that all of your property will be safe the entire winter.

As you would expect CBM is equipped with state of the art commercial grade snow plows, pushers, front-end loaders, and skid steers. Our snow removal services and personnel are available 24 hours-a-day, seven days a week to promptly be there for you and fully handle the removing and relocating of snow from your site.
