

Window Maintenance Services

CBM Corp's Window Maintenance Division will provide a comprehensive window maintenance program that covers your facility inside and out - and we do it at a very affordable price too.

Add an instant glow to your building with our one-time cleaning services - or ask us about our window cleaning maintenance contracts that will keep your windows sparkling all year round.

Simply put, "We Do Windows" - Our highly trained window washers have the ability to reach any size windows from the ground floor level to penthouse heights. Our modern OSHA compliant state-of-the-art equipment will take us to where the dirt is and do it safely.

Our cleaning service shines but it doesn't stop with crystal clear windows, in addition CBM will also clean all of your screens, blinds and window tracks too. *CBM...Professional – Reliable and Affordable!*
